## Grant Writing Services

At Seven Two Consulting, we believe learning leads to growth and change for people *and* communities. Long-lasting change requires a sustained investment, which is why grant writing and management is one of our core services. We offer help at every step of the grant process, from prospecting to reporting, to help your organization increase its impact.

### Grant Services

#### Grant Writing

- Foundation grant proposals
- Government grant proposals
- Proposal review and critique
- Program planning and development
- Evaluation planning
- Existing grant refresh

#### Grant Management

- Organizational grant readiness audit
- Prospecting (grant funding opportunity searches)
- Grant reporting
- Program evaluation

#### Other Writing Services

- Other writing services as requested

### Fees

We offer flexible contract options, including contracts based on specific projects or defined periods of time. Our rates are hourly because this provides important transparency and accountability for everyone.

- Prospecting - \$70/hour
- Foundation grants - \$70/hour
- Government grants - \$80/hour
